7 TRaC Global Ltd confirms that a sample of this equipment (as described within the schedule to this certificate) has been found to comply with the requirements of the test standards listed in section 8 below.
The examination and test results are recorded in the confidential report **TRA-009286-33-00B**.

8 Compliance has been assured by compliance with:
EN60529:1991/A1:2000 (IP55)

9 This certificate of conformity is the result of testing a sample of the product submitted, in accordance with the provisions of the relevant specific standard. It does not imply an assessment of the whole production and does not permit the use of a mark of conformity.

10 This certificate may only be reproduced in its entirety and without change.
